Prayer Team 10k

The spiritual landscape of San Francisco has been described to me in a variety of different ways: destitute, searching, hard ground or fertile ground, evil or ripe for God's grace and love. Yet despite the different synonyms used, it is clear that San Francisco is a city that is on the brink of an amazing move of God! Whether it's naiveté or sheer optimism, we believe that God has some big plans for the city, however we do not want to enter into this under prepared or unprotected.

Therefore, as we prepare to plant a church in the heart of San Francisco, it is imperative that we have a strong group of committed people surrounding us and lifting our team up in prayer. Therefore, we're creating a team that we want you to join us in; it's called the Prayer Team 10k. Our goal is to gather around us 10,000 people that will commit to praying for us regularly.

Here's how it works: Sign up by responding to this email with your name and email address and we'll add you to our list! You'll receive a new prayer list every 2-weeks that you can then begin praying over with us. We'll give you regular updates through this email newsletter and on the San Francisco Project homepage. We're looking forward to partnering with you in prayer for the city of San Francisco and celebrating all the amazing things that God is doing as together we work to plant a new church in the heart of the city!

The Beginning Approaches

It's hard to believe that we've been at Community Christian Church in Naperville for a whole year preparing to head out to San Francisco to plant a church! It has been a tremendous learning opportunity and we have made some great friends and met some amazing people in our short time here. It's hard to believe that my (Aaron) Leadership Residency is coming to a close and the beginning stages of preparation for planting a new church are now upon us.

I'm met with a sense of exhilaration as this new adventure approaches, while at the same time sad to see yet another chapter come to a close. God has been preparing us for this day for quite some time, and as we begin to lay hold of God's dream for this plant we are extremely thankful to everyone who has encouraged us, supported us, and prayed for us throughout this past year. You are all very near and dear to our hearts and we look forward to sharing this new journey and adventure with you as together we will strive to make a difference in the city of San Francisco!

Grace & Peace,
Aaron & Tracy
